BBC Studioworks strives, with its best endeavour, to ensure that the information contained within these plans is accurate. However, if there are any specific requirements, critical measurements, or any doubt as to the exact conditions on site, it is strongly recommended that a site survey is conducted prior to any works being undertaken. Taking this simple precaution can and does save a lot of embarrassment.

Please contact BBC Studioworks on +44 (0)203 327 6900 or your projects Studio Resource Manager for further assistance.
